The Studio Visual Steps Authors

The Studio Visual Steps team of authors consists of different professionals, all thoroughly experienced in their subject field. The proven Visual Steps methodology features:

- Easy, step-by-step instructions
- Screen illustrations for each step
- Explanations and additional background information in plain English

Visual Steps™

Internet and E-mail for SENIORS makes use of the Visual Steps method developed for adult learners by **Addo Stuur**. Key features in the series... for SENIORS:

- **Content** - the special needs and requirements of the beginning user with little or no technical background have been taken into account.
- **Structure** - self-paced, learn as you go. Proceed step-by-step with easy to follow instructions. What's more, the chapters are organized in such a way that you can skip a chapter or repeat another as desired.
- **Illustrations** - plentiful use of screen illustrations to show you if you are on the right track.
- **Layout** - large print makes it easy to read.
