# More Windows 7 for SENIORS

*More Windows 7 for SENIORS* is the logical sequel to Windows 7 for SENIORS. In this second volume we handle some of the most useful, practical and fun components of Windows 7. Step-by-step, you will learn everything you want to know about computer security, creating user accounts, burning CDs and DVDs, and setting (grand)parental controls. All important issues will be dealt with so that you can work safely without any problems arising. You will also learn how to organize your photo collection and how to view your photos with Windows Photo Viewer. Furthermore, you will learn how to use Windows Media Player to play music CDs and movies.

This book is highly recommended for all Windows 7 users who want to make the most of their computer skills.
